

Diamond Devil Team/Tournament FAQ's

What field sites do you utilize?

We use various top-quality college, high school, and recreation fields in each area.

How many games are guaranteed?

All showcase events are 4 game guarantee, unless otherwise noted in the description (weather permitting). All World Series events are a minimum 5 game guarantee (weather permitting).

Are teams required to have team insurance?

Yes, each team MUST provide us a copy of their certificate of insurance with Diamond Devils Baseball listed as an additional insured.

Are the tournaments wood bat?

Yes, all events are wood bat. Baum Bats and 100% wood bats are acceptable (no composite or bamboo).

Are Diamond Devil/CABA events Stay to Play?

Yes, we offer the teams (and families) who have registered for our events the opportunity to book hotel rooms at a discounted rate through our travel partner, Traveling Teams. If your team is within a 90-mile travel radius of the event you can opt out of the accommodation requirement.

What are the pitching rules?

For Showcase events we expect coaches to monitor and protect their pitchers. We do not monitor pitch counts nor innings pitched. That is up to each team.

Do we need to supply baseballs?

Each team provides 2 game balls to the umpire at the start of each game and resupplies during the game as needed. Umpires will return balls on hand to each team. Teams are expected to chase foul balls.

Is there a gate fee?

Yes, there will be a gate fee collected at each site. We provide day passes for weekend events (not per game). The passes are good at all sites for one day only. We offer tournament passes for week-long events. These passes are good for every game at every site for the duration of the tournament.

Do we need to supply rosters and/or birth certificates?

For showcase events we do not require them, but we recommend that you have rosters on hand for scouts/college coaches. For World Series events rosters are required to be turned in prior to the start of play and cannot be changed once play begins. For WS no birth certificates are collected but must be presented if age is challenged.

What is the rainout policy?

It is totally up to the individual sites if a field is considered playable. They have the final decision. Once the first games of a tournament begin there will be no refund of fees due to rain/inclement weather.
